

Message (Directly approaching Hiring Managers/Recruiters):

Hi,

I hope you are doing well!!

I am currently looking for job opportunities and highly motivated and interested in joining XYZ.

So, it would be great if you can please consider my profile for relevant roles.

Please find attached my CV for your reference.

Here is a brief description of my profile.

I am currently working as a freelancer with an X (a leading start-up in India) as a Digital Marketing Manager.

Previously I have also worked as:

- Senior Analyst at XYZ Companies

Also did my internships as:

- Analyst Intern at ABC Companies

I have completed my Masters in Business Analytics from Singapore Management University.

I am a hard worker, as you can see in all my recommendations from my employers/clients/managers/colleagues; hard work is a critical point in all.

The key points that make me eligible for this opportunity are:

1. Strong analytical and mathematics skills and a powerful desire to work in the consulting sector.
2. Completed master's in business Analytics from Singapore Management University and engineering background in CSE (Computer Science).
3. Frequently received recommendations by managers and clients for quick learning abilities.

Profound programmatic experience in various digital marketing analytical tools.

I am keen to learn and improve my skills in implementing marketing solutions to improve business processes.

I am looking for Analytics/Consulting/Business side roles.

I am looking forward to hearing from you soon.

Thanking you in anticipation.

Regards,

Nikita Gupta
